2024 CONVENING
Phoenix
2024 CONVENING
APRIL 15-18, 2024
In Spring 2024, the Funders’ Committee community will convene in Phoenix, Arizona for 3 days of learning, collaborating, and networking rooted in democracy and racial justice.

We will ground our work in supporting philanthropy and the organizing field as we collectively seek to dismantle unjust systems and structures that impede our democracy, and drive resources toward building power in Black, Indigenous, and People of Color (BIPOC) communities.

We are an innovative and thought-provoking network that centers racial justice, to uplift Black, Indigenous, and People of Color (BIPOC) power building and break down barriers to full civic participation.

We share an underlying conviction that all people deserve a voice in our democratic process and that democracy must be representative of the people.

We understand the value of full spectrum civic engagement philanthropy, from state and local funders to national institutions.
